

## Volunteers Welcome

Our club is administered by volunteers. We need Board members, coaches, team managers, and team parents.

### Board Members

You can read in our [Constitution](#) that:

1. The expected term of service for a [Board](#) member is one year.
2. Board members that wish to serve an additional term are reelected in February each year.
3. The duties of each [Board](#) member are listed; therefore, you can get an idea of which position best fits you.

Our [Board](#) meetings are open to the public. If you want to get involved, you should reach out to a [Board](#) member and we will invite you to our meetings. Once you get comfortable with how things are done, you can ask to join our [Board of Directors](#). We might have [Board](#) members who have already served multiple terms and are looking to pass the baton to someone else and/or we might have open positions that need to be filled. The East Windsor Soccer Club serves the East Windsor community. Our club is your club; so please do not hesitate to get involved.

### Coaches and Team Helpers

- **Head Coach.** Every team must have a head coach. There are [resources](#) available, such as age-appropriate, ready-made, practice plans that coaches can use to get up and running quickly. We can help you get started even if you have never coached a soccer team before.
- **Assistant Coach.** Every team should have at least one assistant coach who helps the head coach run the team as described above and can fill in for him when he is absent.
- **Team Manager.** This person removes some of the load on the coaches by handling administrative tasks, such as scheduling friendly games and interfacing with other clubs.
- **Team Parent.** This person removes some of the load on the coaches by keeping the players under control on the sidelines, serving snacks, and other miscellaneous activities during games and maybe at practices.

### Head Coach Reimbursement Policy

We say thank you to our head coaches by reimbursing them the price of one registration fee if they coach all the way through the seasonal year.
